Flex Code

Official Odoo Silver Partner

FLEXCODE SERVICE PLANS

Your Odoo, implemented, run and supported by your official partner.

One clear price: a package for implementation and support, plus a hosting package. Enterprise adds the Odoo licence. We never charge per user.

- ✓ Hosted in the EU, GDPR
- ✓ Data processing agreement included
- ✓ DATEV export and E-Rechnung

YOUR PRICE IN THREE PARTS

Package
Implementation hours, updates, help desk and support hours.

+

Hosting
A managed FlexCode server sized to your team: S, M or L.

+

Odoo licence
Only for Enterprise: per user, at Odoo's price, arranged through us.

Packages

The same packages for Odoo Community and Enterprise. 12-month term, billed monthly; pay yearly and get one month free. Implementation is capped at the hours shown; extra hours are €120 each.

Start

Small teams that sell and invoice with light apps.

€159 / month

€1,749 per year if paid yearly

Implementation up to 8 h · light apps

- CRM, Sales, Invoicing, Project, Website
- Data import up to 1,000 records
- 1 training session, 2 hours
- Updates and help desk

Community: no licence. Enterprise: plus the Odoo licence.

Support: €120 / hr as needed

RECOMMENDED

Business

Companies that buy, stock, sell and keep their books in Odoo.

€529 / month

€5,819 per year if paid yearly

Implementation up to 24 h · all apps, basic

- Adds Inventory, Purchase, Accounting
- DATEV export and E-Rechnung set up
- Data import up to 5,000 records
- Up to 3 reviewed custom modules

Community: no licence. Enterprise: plus the Odoo licence.

Includes 2 support hours / month

Growth

Busy teams with several warehouses, approvals and shops.

€1,290 / month

€14,190 per year if paid yearly

Implementation up to 60 h · all apps, medium

- Your routes, approvals and layouts
- GoBD-oriented process review
- Data import up to 20,000 records
- Up to 10 reviewed custom modules

Community: no licence. Enterprise: plus the Odoo licence.

Includes 5 support hours / month

Dedicated

Manufacturing, groups and several sites.

On request

Quoted to your project

Implementation scoped in hours

- Manufacturing, POS, eCommerce in depth
- Larger or bare-metal server
- Named consultant, no module limits
- Upgrade planning every year

Community: no licence. Enterprise: plus the Odoo licence.

Support hours agreed with you

All prices net, plus VAT. German customers pay 19% VAT; business customers in other EU countries are invoiced under the reverse-charge rule.

Hosting packages

Every package runs on a managed FlexCode server, for Community and Enterprise alike.

S

1 vCPU · 2 GB RAM · 50 GB

up to 10 users

€49 / month

RECOMMENDED

M

2 vCPU · 4 GB RAM · 100 GB

up to 25 users

€85 / month

L

4 vCPU · 8 GB RAM · 180 GB

up to 60 users

€149 / month

Included: updates, security patches, monitoring, daily backups and SSL, in German or Finnish data centres. One-time setup €190. Larger servers from €285 on request.

Enterprise on Odoo Online?

Odoo can host Enterprise for you; that hosting is part of the Odoo licence, so you only add our package. Custom modules and connectors are not possible there. Odoo.sh on request.

Example: Business package €529 + Hosting M €85 = €614 per month, Community edition.

Add-ons

Extra hours Implementation, training or support beyond your package	**€120 / hr**
Extra storage Per 10 GB beyond your hosting package	**€9 / month**
Extended backup Off-site copy kept 90 days, restores included	**€29 / month**
Move your existing Odoo From another provider, tested before switch-over	**from €790**

Odoo Enterprise or Community? We implement both.

Same packages and hosting for both. With Enterprise, the Odoo licence is added through us. We help you choose in the free ERP check.

OFFICIAL ODOO LICENCE

Odoo Enterprise

- Official Odoo S.A. support and upgrades
- Odoo mobile apps and Studio
- Full accounting features out of the box
- Licence per user, arranged through us

Best for: most companies that want the full Odoo experience

OPEN SOURCE

Odoo Community + OCA modules

- Licensed free of charge under the GNU LGPL v3
- Extended with FlexCode and OCA modules
- Full control over code and data
- Same FlexCode service and support

Best for: specialised workflows built on open-source modules

Terms

- 12-month term, billed monthly; renews unless cancelled one month before the end.
- Pay yearly and get one month free.
- Move up any time; move down at renewal.
- All prices net, plus VAT. EU business customers: reverse charge.
- You own your data: full export any time.

Not sure which plan fits?

In 30 minutes we look at your processes and tell you which plan fits, and what it costs.
